

Protect, Benefit and Affordable

PT. Proteksindo Broker Asuransi

We are a national leader in insurance broking and risk management services, duly established in 1998 with finance ministry licensed number 432/KMK.017/1998.

Proteksindo started operations on 24th September 1998 when Wunwun, the founder, involving other six shareholders formed this company under the name PT. Proteksindo Broker Asuransi. At this point of time, Proteksindo is one of the leading insurance brokers for Energy insurance (Oil and Gas) in Indonesia, especially in greater Jakarta.

Our Philosophy

P - Protect
B - Benefit
A - Affordable

Vision

Become the best insurance broker in Indonesia

Mission

Become a leader in insurance broker services, providing excellent services as to maintain a long-term relationship

2

CIIB Holders

Highest professional certification for Insurance brokers in Indonesia, accredited by APARI (Asosiasi Ahli Pialang Asuransi dan Reasuransi Indonesia)

We conduct our business with utmost good faith and integrity

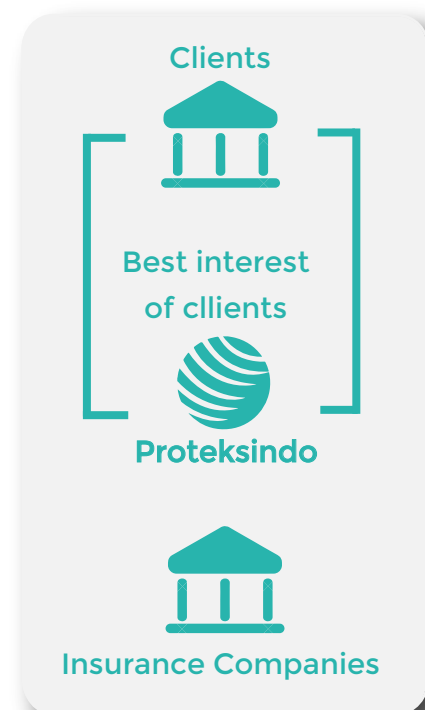

We are confident that you'll be impressed with our outstanding services, delivered by our competitive approach

Role of Proteksindo

Proteksindo, as an insurance broker, has a fiduciary duty to act in the best interests of our clients and provide sound practical advice which is independent of any insurance company's influence. Our tasks and duties are listed as per the following list:

- Identify, analyse and provide full consultation services regarding the risk inherent to client's activities
- Obtain the most favorable terms and conditions from the insurance market
- Provide clients with all documentation in connection with your insurances
- Assist in handling of the claims, so that the settlement of a claim can be carried out quickly and effectively according to agreement
- Arrange alterations should any changes occur in the insurance market

We always put the client's interest first as to maintain a long term relationship

Benefits of Insurance Broker

Why Proteksindo?

These days there are many different ways to buy insurance, but there are good reasons to consider using an insurance broker's expertise. Proteksindo can ensure clients that they will receive efficient and effective insurance covers with **no extra cost**, as our remuneration is earned entirely from the insurance company. Hence, we will strive to give the best insurance services by offering competitive premium rates to the advantages of the client.

Furthermore, Proteksindo shall act professional on behalf of the client in handling all insurance transactions, and provide consultation in order to avoid any misinterpretation of clients insurance needs and risks.

Extensive claims handling experience
(Rig Collapse Accident due to shallow gas blowout)
